Discipleship and Mission

DICIPLESHIP

The first important initiative in discipleship making will be the addition to the church. As you know, the major portion of the addition will be devoted to Sunday School/Youth rooms. Through the "You Can Count on Me" pledge program, we set a goal of \$24,000 a month to meet the 2012 budget and anticipated mortgage payments. To date, we have received \$13,000 a month pledged which is little more than half way to our goal. We hope that as people become more aware of our needs and the purpose for which they are solicited, they will firmly say, "You can count on me, Lord!"

On January 29th, the Investment Team presented opportunities for the sale of promissory notes [see page 6]. These "notes" will help finance the building project, and pay the investor a very competitive rate of return. [We would much rather pay interest to our member investors, than the bank].

MISSION

Mr. Erv Uhlman of our congregation has been trained as a "mission interpreter". That is, Erv will help us understand where our offerings go. He reports, "The major part of our offering stays right here at home to support local ministry and mission. Some goes to support the mission of the ELCA.

Here are a few things they do with your offerings:

1. Grow 60 new mission starts.
2. Renew 163 existing congregations.
3. Share the Gospel through the work of 250 missionaries in over 50 countries.
4. Support the education of young people at more than 2000 educational institutions.
5. Support our partnership with Lutheran World Federation, World Council of Churches and the National Council of Churches."

Thank you all who have said,

"You can count on me!"

The annual report will be made available to the congregation for their review the week prior to the meeting.

Mission of the Month - Testify! (St. Mark's Youth Group) Souper Bowl of Caring

More than 20 years ago, the Souper Bowl of Caring began with a simple prayer from a single youth group. *"Lord, as we enjoy the Super Bowl football game, help us to be mindful of those without even a bowl of soup to eat."*

Since that day, more than \$60 million has been raised for local charities across the country through the Souper Bowl of Caring. It has become a powerful movement that is transforming Super Bowl weekend into the nation's largest youth-led weekend of giving and serving.

Through this mission, young people learn what it's like to make a positive difference in the world—as they collect food, raise money, and volunteer to work in charities that provide shelter to the homeless, food to the hungry, and compassion to those in need.

Please give generously on Souper Bowl Sunday, February 5th. Every dollar donated will go to COOL.

Travel Club

On Sunday, January 15 we had The 7th Annual Finnish Celebration. It was a tremendous success. We served 127 guests, which was our largest group ever. It was truly a wonderful afternoon. The food was awesome, the Sibelius Male Chorus was great, and we were also entertained by the Lekspel Scandinavian Musicians from Milwaukee. They were wonderful.

I, personally, want to take this opportunity to thank everyone who helped make this such a success. Our tremendous hard working Travel Club Members, our set up crews, our clean up crews, our kitchen crew, our Tori workers, our entertainment, and everyone who shared a few hours with us to enjoy just another little bit of our Finnish Heritage.

Thank you from the bottom of my heart, Judy

LONELINESS PART IV. (CONCLUSION??)

"The worst loneliness is not to be comfortable with yourself."

Mark Twain

*Do not fear, for I have redeemed you,
I have called you by name, you are mine...
Because you are precious in my sight, and honored,
and I love you. Isaiah 43:1-2, 4*

"An unforgettable story from the Holocaust tells of a group of Jewish inmates in a Nazi concentration camp. It was the first night of Hanukkah, the holiday that celebrates the Jews regaining Jerusalem and rededicating the temple in the second century B.C.E. Hanukkah always falls at the darkest time of the year, and Jews mark it by lighting candles against the cold and the dark.

Holiday celebrations were forbidden in the camp, but one man saved a bit of the bread from his evening meal, dipped it in grease from his dinner bowl, fashioned into an impromptu candle, said the appropriate prayer, and lit the bread.

His son said to him, "Father, that was food you burned. We have so little of it. Wouldn't we have been better off eating it?" The father replied, "My son, people can live for a week without food, but they cannot live for one day without hope."

We can say also, *that living for one day without feeling loved can be unbearable.*

Valentine's Day, like Christmas, can be a painful reminder of the death of a loved one, a broken relationship, or the lack of meaningful relationships in one's life.

During the lonely times in our lives, our faith can help us believe that God *loves* us and *values* us. Our church family can give us tremendous support and encouragement, witnessing to us that God's love endures throughout our life. That is God's promise! And that good news is reflected in the saints *around us!*

When you open yourself to the love around you, looking at the blessings God has bestowed upon you, taking part in the community around you, not being spectator in life but a participant, your life will take on a richness that you would never have imagined!

So many have looked out for me, reminding me keep strong in body, mind, and spirit; helping me to love my-

self.

It took me many years to realize that I had choices in life—and God gave me the courage, through those around me, to make the right choices necessary to live an "abundant" life.

As I said a few months ago, "when we learn to see the people around us as needing love, every bit as much as we do, we discover we **cure** our loneliness in the act of reaching out to them."

This Valentine's Day, reach out to someone through an act of kindness; words of encouragement, affirmation, a hug, or simply a smile. Perform acts of service like visiting the home-bound, serving Pads, sending a card or giving a call to one who may be hurting or who needs to know they are not alone. Don't forget to love yourself, give yourself a treat or spend a day in your pajamas!

There are endless ways to show someone you care. We can show how much we appreciate and value Pastor Blomquist and Pastor Koth with a simple thank you.

Don't forget the best valentine we can ever receive—God's love through His beloved son, Jesus!

God's peace and love be with you,

Jill Shepherd

PROMISSORY NOTE SALE PROGRESSING

Additional information regarding the pending sale of St. Mark's Promissory Notes to finance the construction of the Church's addition is now being made available. The Note Team on January 12, after an extensive and thorough review, recommended to the Investment Team and the Church Council to go forward with the Note sale.

As a result the Team is developing an Information Packet that will include all necessary information that a prospective purchaser of the Notes may need. These Packets will be made available at the end of January. Find below some information that will be contained in the Packet and a newly revised format for the Promissory Note Certificates themselves. Questions regarding the pending sale can be addressed to Ken Falkinham or Al Dudleston.

The proceeds of the sale of these Promissory Notes shall be used to pay the architect, engineers, construction contractors, equipment suppliers, and other trades and suppliers normally considered under a like construction project.

These Promissory Notes will carry the good faith of the CHURCH as it pertains to the timely payment of semi-annual interest, at the rates so designated on the Promissory Notes, and the Principal at maturity. Be it known that there are NO federal or state insurance backings on these Promissory Notes.

The Promissory Notes period of solicitation will commence on January 30, 2012 and end on July 1, 2012. A so-

licitation form is being made part of this Information Packet. To avoid a concern of over solicitation of any particular series of any Promissory Note there will be a first filed, first approved process. That is to say, solicitation forms submitted to the Church's designated collector shall be recorded on a first come, first serve basis. The person so designated to receive the form shall number the form when received. If any Series of Promissory Notes are completely sold and additional solicitation forms were received so designating the same filled Series, these later forms shall be returned to the prospective purchaser and thru consolidation or consultation may be shifted to another available series.

Thank You

Youth & Family Notes:

January was a fun month for the Youth & Family Department. The Sunday School Children turned in their Christmas offerings to our ELCA Good Gift's "God's Barnyard" collecting nearly \$200.00!!! Over the next few weeks they will be choosing what animals we will be purchasing. It is not too late for you to participate in this program. This is a continuing mission for the children & we will continue to collect funds throughout the coming year. The youth group rang in the new year with a Lock-In & a fantastic time was had by all who attended. As part of the evening we watched the 2003 movie "LUTHER" based on the life of Martin Luther. Pastor joined us for breakfast the following morning and lead us in a bible study to start our Saturday. The youth group & their families were the clean-up crew for the Finnish Service & they did a great job!!! The youth will also be participating in the SOUPER BOWL of CARING on Sunday, February 5th. Please bring a can of soup or a cash donation. All contributions will be donated to COOL. We are already preparing for Vacation Bible School for this upcoming June. If you would like to be involved please contact Laura Swanson. We are also still in need of volunteers to help out in the nursery during the 9am service, please considering helping out in this wonderful way. The teachers in the nursery are some of the most important people on our team, they are often the first impression that young visiting families receive of St. Marks. The Sunday school children continue to enjoy a busy Sunday school hour each Sunday but are eager for the warmer weather when they will begin to plant a garden. The upcoming semester's curriculum will focus on God's Creation & their part in caring for it, examples of their love of God's creation will be evident around St. Mark's this coming spring!!

Blessings to you all,
Laura

Please contact Laura Swanson @ 224-619-7758 if you would like to help in any of these areas, also if you would like to borrow the "LUTHER" dvd for your own viewing.

Thank You

Dear Friends in Christ,

Thank you for the generous Christmas gift. Thank you also for many kindnesses to Virginia and me all through the year.

It is a privilege to be a co-worker with you and with you I pray the Lord's continued blessings as St. Mark's seeks to serve Him.

Pastor Blomquist

Dear Pastor Koth, Pasto Blomquist and St. Mark's Family, I wish to thank you for the heartfelt prayers, calls, cards and well wishes during my continuing treatment. Your encouraging and kind words are uplifting and greatly appreciated. Your constant thoughtfulness is a true reminder how blessed I am to have you as my church family.

With love and God's blessings,
Carol Taylor

Thank you! Thank you! I am overwhelmed by all the cards, calls, and prayers from my St. Mark's family and for Pastor Koth's visits and calls and Pastor Blomquist's calls. With all the prayers and support, it looks like the future is brighter. God bless you all!

Knitting for the Needy

The knitting needles and crochet hooks were busy in 2011... both at our monthly meetings at St. Mark's and at our homes. The following quote of Margaret Mead certainly applies: 'Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it is the only thing that ever has.'

We Crochet

We Knit

We Give It Away

- 68 baby items to a Lakota Indian Reservation in South Dakota

- 146 Chemo caps to cancer treatment centers in Kenosha, Gurnee, Zion and Vernon Hills

- 26 hats and scarves to PADs at Great Lakes Navy Base
- 33 scarves, hats and baby sweaters to Project Winter Warmth in Kenosha

- 23 baby and preemie caps to Vista Hospital

- Hat and Scarf was included with each of the 26 LSSI child's Christmas gifts

Here are some Thank You Notes we received:

"We once again acknowledge with many thanks your donation of lovely knitted hats for our patients. Your keen selection of styles, colors and decorative trim makes them very attractive. People like you, who give of their time and talent, continue to help our staff to put comfort at the top of the list. Your generosity is so very much appreciated!

Cancer Treatment Centers of America, Zion, IL"

"Thank you for the beautiful chemo cap. That was so thoughtful of you to think of me.

Again, thank you, Nancy R."

"Dear Friends,

My daughter found a pretty yellow hat that was made by someone in your group, for me to wear as I go thru chemo. It's such a cheery color – a bit of green on it. Thank you so much for your care for people like me and for the hat! May God bless you as you continue to follow our Lord, Jesus Christ and serve Him in this way.

Warm greetings, Anna S."

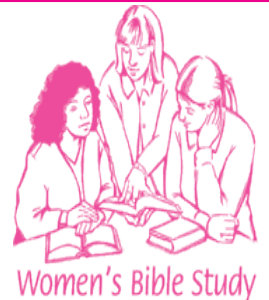

"Everything you sent is so beautiful!! We so appreciate it.

Thank you so much!

Carmeen, One Heart, One Mind at the Lakota Indian Reservation"
